 The accumulated cryptocurrency is then converted into USD and is then turned over to the Bronx Freedom Fund, a nonprofit bail fund in the South Bronx that

provides assistance to indigent defendants facing pretrial detention for low-level and misdemeanor charges. [thebronxfreedomfund.org](http://thebronxfreedomfund.org).

You can raise your electricity bill, increase the temperature in your apartment, and make an astonishing noisescape for your home, or download bail bloc, and mine cryptocurrency in the background of your computer with virtually no additional burden on your RAM and no increase to your energy consumption. <https://bailbloc.thenewinquiry.com/>

Also available is Appolition, which rounds the linked purchases of your choosing to the nearest dollar and sends that amount to National Bail Out <https://nomoremoneybail.org/> <https://appolition.us>
