

To Do: May 6–20

Our biweekly guide on what to see, hear, watch, and read.

Art

24. See David Armstrong

*Focusing the lens.*

Artists Space, through May 23.

These pictures from the great photographer, who died in 2014, date from the 1990s through the 2010s and show both friends and strangers who were hanging around. Here, we see him sharpening both his photographic eye and his psychological insight. —J.S.
