

Artists Space

COMMITTEE FOR THE VISUAL ARTS, INC.
105 HUDSON STREET, NEW YORK, N.Y. 10013

Exhibition

January 7-22

Auction

January 22 4pm

This exhibition and auction is the inaugural event at the new location of Artists Space. It is additionally the first Artists Space exhibition to include so large a number of artists. For the artists, it represents an occasion for their art to be seen in the context of other current work and presents the possibility of selling their pieces. We hope this show will encourage collectors to become involved with the art as it is emerging and to support artists whose work is not ordinarily accessible to the art audience. It is both an excellent opportunity to see interesting new work that cannot be seen in commercial galleries and an unusual chance for collectors to purchase serious new art at moderate prices.

We would like to thank the sixty participating artists for their enthusiasm and cooperation, and the Sponsor Committee for supporting this event and joining in the selection process. Special thanks are due David Reddon, who has generously offered to act as auctioneer on the final day of the exhibition, to Abby Turner for her advice and assistance, and to Patrick O'Connell who coordinated the many details of the show.
