

## Statement

"From Dust to Dust and In Between"  
For Rose, My Mother,

This show is about the forces and tensions of life that play against the final boundaries of death. The power of tension, anxiety, sexuality and intimacy against the calm, quiet sadness of <sup>loss</sup> death. It is also about sustenance and nurture through beauty and the mobilization of defenses against fear and terror.

Sherry Marlowitz  
April 2-1985

Hope this <sup>is</sup> O.K. — Do you need specifics?
